DARILYN B. ACOSTA

BACHELOR OF SCIENCE IN
IINFORMATION TECHNOLOGY

SUMMARY

A Bachelor of Science in Information Technology (BSIT) student seeking an opportunity to gain practical experience in a professional environment. I am responsible, adaptable, and eager to learn new skills. I gained experience assisting customers, handling data encoding, and organizing files during my Work Immersion and SPES. I can work well both independently and as part of a team, and I am committed to improving my technical and communication skills while contributing to the organization.

EXPERIENCE

WORK IMMERSION
